

3RD ANNUAL 16 GAUGE SHOOT

MAY 20th, 2017

SIXTEEN in SIXTEEN!!!!

Come to the only event to celebrate the **Queen of the Uplands** in the Midwest. We will once again have sporting clays, 5 stand, a grouse walk, and a pigeon ring.

During our long lunch break there will be time to display your guns and admire those of your fellow 16 gauge aficionados. This event is about the gauge, the guns, and those who love them. We don't worry about score, just fun! There will be door prizes and a fabulous lunch. Ask someone who was there last year. Who knows, you might be able to pick up some empty once fired hulls.

Price \$50 per person

For information and registration contact:
