

South St. Paul Rod & Gun Club

League Shoot-offs & Awards

SHOOT-OFFS

(Note: all Shoot-off rounds must be paid for)

All teams and Individual League shooters who “complete” the regular season as follows are eligible to be in the shoot-offs:

- 18-round league team members (except Back-em-up Trap) must shoot a minimum of 16 rounds.
- Back-em-up Trap must shoot all 18 rounds.
- 16-round league team members must shoot a minimum of 14 rounds.
- 15-round league team members must shoot all 15 rounds.
- 12-round league team members must shoot a minimum of 10 rounds.
- 10-round league team members and individual league shooters must shoot all 10 rounds.

All teams and individual league shooters will be slotted into divisions by scoring averages after the last day of the season (or the make-up week, if any) for shoot-offs. For a team to be in the shoot-offs, at least five (5) team members must complete the minimum number of rounds as listed above. **(Note: Even if your team does not participate in the shoot-offs, if you have “completed” the regular season as above, you are in the shoot-offs for individual high-gun.)**

Shoot-off winners will be determined by total scores (50-target or 100-target totals) shot in the shoot-offs. The round(s) you shoot in the shoot-offs for your individual or team shoot-off in each league you are in is the same score used to determine the high gun for the shoot-offs in that league; you do not shoot a separate round (or rounds) to determine high gun in the shoot-offs.

For team shoot-offs, the top (5) 50-target or 100-target totals will count. Shoot-off format:

- 50-target shoot-offs will occur for trap, skeet, 5-stand, and sporting clays.
 - For trap and skeet shoot-offs, rounds must be shot on two different fields, and all shooters must shoot their rounds on the same two fields.
 - Both 16-yard trap shoot-off rounds will be shot from the 16-yard line.
 - Back-em-up trap shoot-off rounds will both be shot from the yardage closest to each team's season average (rounded up, e.g., $18.5 - 19.4 = 19$ -yard line).
- 100-target shoot-offs will occur for Tri-combo: one round each of skeet, 5-stand and sporting clays, and all shooters must shoot on the same skeet field. Teams shooting both Tri-combo and sporting clays must shoot two sporting clays rounds, one for each league, and the sporting clays round must be shot first.

In the event of a tie within a division after the shoot-offs, an additional 25-target tiebreaker shoot-off may occur until a winner is determined, but only if awards are involved. For any ties involving awards, the teams or shooters can split the awards rather than shoot off if all parties agree to split. All affected team captains (or shooters for individual leagues or individual awards) will be notified after the initial shoot-offs and asked their preference for shooting-off again or splitting the awards. All shooters must shoot from the same field. These tiebreaker shoot-offs will occur as follows:

- 16-yard trap shoot-off rounds will be shot from the 16-yard line.
- Back-em-up trap shoot-off rounds will be shot from the yardage closest to each team's season average (rounded up, e.g., $18.5 - 19.4 = 19$ -yard line).
- Sporting clays and Tri-combo tiebreaker rounds will consist of 25, 5-stand targets.

BANQUET & AWARDS

The cost of the banquet will be \$5/person.

The Board of Directors determines what type of awards and cash value will be awarded to the winning teams and individuals. Awards will be in the form of SSPGC target cards only. **All payout awards must be collected within 60 days of the league banquet, or they will be forfeited; no exceptions.**

For all leagues, sixty (60) % of the league sponsorship monies will go toward awards. Forty (40) % of the sponsorship monies will go towards the raffle.

Divisions having at least five (5) teams in that division will receive a 1st- & 2nd-place award. Divisions having four (4) teams or less will only receive a 1st-place award. Individual and Mixed Pair Leagues will only receive 1st-place awards.

PAYOUTS FOR ALL LEAGUES

Of the 60% of sponsorship money allocated to awards:

Regular Season Payouts

- 1st place teams in each Division after the regular season will receive 30%
- 2nd place teams in each Division after the regular season will receive 15%
- High Guns in each League after the regular season will receive 5%

Shoot-off Payouts

- 1st place teams in each Division in shoot-offs will receive 30%
- 2nd place teams in each Division in shoot-offs will receive 15%
- High Guns in each League in shoot-offs will receive 5%

RAFFLE DRAWINGS

Eligibility

To be eligible for the general raffle, shooters must have shot the same minimum number of rounds they had to shoot to be in the shoot-offs.

Shooters must have completed their entire league (shooting all the prescribed league rounds) to be eligible for any gun raffle.

Eligible shooters participating in more than one (1) league will have their name placed in the gun raffle for each venue in which they have participated and shot in all the prescribed rounds.
